Reasonably Priced

TONKBENCHES

For more than fifty years, Tonk Manufacturing Company has been making QUALITY Piano Benches.

During all these years we have never compromised with inferiority—We have never made a cheap Piano Bench.

Because of the High Quality Reputation we have won, many Piano Merchants and Manufacturers think that TONKBENCHES are high priced.

They are wrong.

Every TONKBENCH is reasonably and fairly priced. Style for style, finish for finish, and particularly from the standpoints of material and workmanship, TONKBENCH Value easily outmatches competition; as is proved by the very volume of business with which we have been and are being favored by the most progressive Piano Merchants and Manufacturers, from coast to coast.

If you are not using TONKBENCHES—Write today for The TONKBENCH Bulletin, Prices and The Tonk Cumulative Discount Plan.

UDELL Cabinets!

Seeking always to improve our service we have made an arrangement with The Udel! Works of Indianapolis, Indiana, producers of the famous UDELL

Player Roll and Radio Cabinets, to handle their complete line through our factories at Chicago, Illinois, and Los Angeles, Calif.

Write today for special illustrated folder giving detailed descriptions and prices on the forty or more new models now available.
